Ministry Expansion

We praise the Lord first of all for working in hearts of His people. Drawing people together to advance His work. We thank each one who gave to Hope for Tribes to make expansion become a reality. At this time we are working on the blueprint with the builder. The builder said he should be able to start building next month. Hopefully next newsletter we will be able to share pictures of the building in progress.

We are praying that we can be an encouragement to all who enter our doors and want to further the Lord's Kingdom. For this first year we will be taking four new students. This will give us a total of 5 young fellows and 4 young ladies.

Our continued desire is to see the students grow and mature in their relationship with the Lord. Than taking the Gospel to their own people wherever the Lord leads them after university years.

Name change.... Some of you know us by the name USLC ministry. We have changed our name to Hope for Tribes.

Ministry Needs:

- *Sponsors to complete the scholarship given to the students.
- 100% scholarship \$190. per month
- 50% scholarship \$ 95. per month

When you sponsor a student we will give you info about the student and also give you a prayer card so you know how to pray for the student you are sponsoring. ...con't.

Meet James & Esther

This is the couple that is joining with us in the Ministry. They have heart for young people and want to be a blessing to the students in their walk with the Lord.

Burkholder Family News

As most of you know we as a family were in the states for a 3 month furlough. While there we were able to reconnect with family and friends. It had been almost 3 years since we saw most everyone so it was time again. As a family we took a 3 1/2 week trip to share about the Ministry we are involved in. We saw many "old" friends and made many new friends. We were quite ready to get back into a house and not have to travel several hours to get somewhere. We also took several other small "trips" to share about the Ministry which were 2-3 days. Zach even got to experience snow for the first time in his life. He will admit that it was a little cold to his hands. The grandparents (and most of the family) were finally able to meet our "little" Mekenzy for the first time. She brings lots of joy and laughter to our family. Now we are back in Thailand and trying to get settled back into a routine that once was a normal for us. Pray for Emily. She stayed back in the states to start nursing school. As of now it is 4 yrs. of studying for her. *Thanks for your prayers!*

*\$5,000. dollars to complete building fund.

*Committed monthly giving so all the daily expenses are met.
